

We the Water

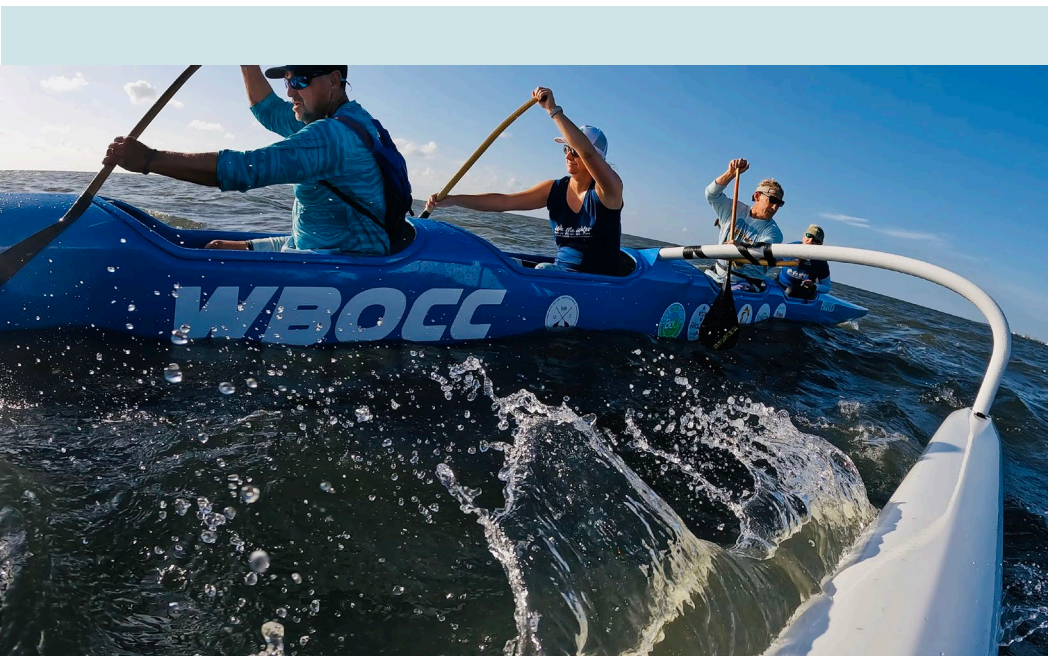

A North Carolina Coast Paddling Initiative

The Wrightsville Beach Outrigger Canoe Club and the North Carolina Coastal Federation are teaming up to tackle water issues along the North Carolina coast.

Members of WBOCC are paddling **325 miles** to raise awareness of and funds for coastal protection and restoration.

In September 2024, we will embark on our final leg – from Hatteras to the Virginia border – in a 6-man outrigger canoe. Join us?

All proceeds benefit

How far would
YOU go for clean
water?

This journey tells the story of the North Carolina coast – from threats and risks to solutions and triumphs – and how we can all make a difference in protecting and restoring the place we call home.
