

## 2025 Coastal Summit: The Ripple Effect

### *Enhancing Oysters, Salt Marsh and Water Quality Together*

**April 8-9, 2025**  
**Marbles Kids Museum, Raleigh, N.C.**

This biannual two-day summit will bring together over 300 professionals in oyster, wetland, and water quality focus areas, including management, harvest, habitat restoration, stormwater, policy, education and other related fields. The summit will highlight the progress and interconnectivity of work related to advancing the science, restoration, and preservation activities of many important coastal ecosystems.

Hosted by the Coastal Federation at the Marbles Kids Museum in Raleigh, the Summit includes a **Legislative Reception** the evening of April 8, with fresh N.C. oysters on the half shell and other hors d'oeuvres. The reception will feature a **Legislative Shucking Competition**, where legislators will show off their oyster shucking skills.

### **BECOME A SPONSOR TODAY!**

*To become a sponsor, please return this form with a check made out to NC Coastal Federation to 3609 Highway 24, Newport, NC 28570 or give online at [nccoast.org/2025-coastal-summit](http://nccoast.org/2025-coastal-summit).*
